

Travis: i don't want bull shiz that neither of us believe
Travis: just call me and tell me
Travis: i want to hear it
Travis: because I feel it will be the first pure truth youve ever told me
Jodi: this is difficult. It will only piss you off more.
Travis: why
Jodi: Because sometimes the truth suck!
Jodi: s
Travis: call
Jodi: call you?
Travis: yes
Travis: and tel me
Jodi: right now?
Travis: yes
Jodi: deal
Travis: but say it
Travis: right
Travis: right
Travis: right
Travis: hello
Travis: Jodi?
Jodi: I'm here
Travis: right
Jodi: right
Travis: so let's wuit with the bull shiz
Jodi: ok
Travis: all of that talk has happened many times and it has never changed anything
Travis: so lets quit with it
Travis: ur not sorry
Travis: im ok with that if ypull admit it.
Travis: it should be libersting to you
Travis: liberating
Travis: right
Travis: right
Travis: right?
Travis: am i talking to myself

Jodi: No

Travis: am I talking to myself?

Jodi: no

Travis: why cant you respons

Jodi: you're not talking to yourself

Travis: what is taking you so long

Jodi: I reading what you mssaged me on Facebook.

Jodi: I didn't know you were chatting w/me there.

Travis: oh well

Travis: so we are clear

Jodi: Yes

Travis: so tell me the truth

Travis: tell me that you are not sorry

Jodi: I can't just say it as a blanket statement like that. It's too convoluted. It's not black and white

Travis: and be specific

Travis: okay well say it with details

Travis: okay

Travis: so

Travis: what your point

Jodi: My point is that all of the things you said when you were playing the tough Travis is true.

Travis: i know they ae

Travis: are

Jodi: So there is really no point in me continuing to breathe. And that's not a poor-me cry for sympathy.

Travis: listen

Travis: weve been over this

Travis: Right?

Travis: might as well just give ut up Travis:okay?

Jodi: ok

Travis: so we are done with all the pretenses

Travis: no more faking soy no more faking like im throught with you

Travis: through

Travis: sorry

Travis: my r's arent working

Jodi: Travis, in the most non-pretentious way, you are like an angel that gets snared by evil influences. But I, too, am like an angel that gets ensnared by evil influences. And along I come, looking like an angel, speaking sweetly, acting nicely, pleasing you in ways you had only fantasized and of course it's easy to get caught up in that. I

Travis: well?

Travis: it will save us a lot of time and energy

Travis: ur not sorry so quit apologizing

Travis: and that way I can quit forgiving

Travis: deal

Jodi: umm... ok?

Jodi: I just don't want you to be miserable any more.

Travis: u don't care jodi

Jodi: I only contribute to the misery factor in your life.

Travis: just stop

Travis: its ok

Travis: I serve a purpose of yours

Travis: whateve it is

Travis: thats fine

Jodi: Then what do you want me to say? Whatever the purpose is, I don't understand it. I've tried to figure it out. It's not marriage. It's not sex.

Travis: I thought I might break away this time but you knew I couldn't

Jodi: I've proven it's not friendship

Jodi: Violated that one plenty of times

Travis: you knew one call and youd reel me in

Travis: you don't care jodi

Travis: just say this im not sorry

Jodi: I don't ever dare to hope for that at this point

Travis: and Ill be okay with it

Jodi: OK, maybe a spark of a dare

Travis: im not saying it's friendship

Travis: it is what it is

Travis: no reason to label it

Travis: lets just quit with it all

Travis: if you want to sneak around just tell me what you want and ill give it to you

Travis: youll get it anyway

Travis: then Ill yell

Travis: and then forgive

Travis: why go through all that

Travis: it was

Travis: the email and everything as true as it was

Travis: was my way of getting you closer

Travis: because i am addicted

Travis: you are ruining my life but I'm addicted

Travis: so thats fine

Travis: ruin it

Travis: but lets not hide behind the facad

Travis: jus tdo what you intend to do

Travis: Im am going to quit acting tough

Travis: you know it's my own facade

Travis: anyway

Travis: So Ill quit with mine

Travis: now you quit with yours

Jodi: Honestly, aside from what I wanted to say, it was me that wanted to hear your voice just

once. It's like a little fix. You're not the only one addicted.

Travis: well lets just ruin each others life then

Travis: I don't care any more

Travis: if you want my freaking passwords just ask

Jodi: Because I'm horrible

Travis: whatever you may have found it wasn't bad enough to deter you from whatever your

purpose is so who freaking cares

Travis: im just tired of all this

Travis: its killing me

Travis: seriously I can't stand it

Travis: I cant keep up with this cycle

Travis: so lets cut out the act

Travis: so there

Travis: its out

Travis: lets just quit with the pretense

Travis: I trued to stay away this time

Jodi: No. I don't want to hurt you anymore. Bless you for your forgiveness, but you deserve better, and I don't deserve you.

Travis: but you called

Travis: and you made sure I heard your voice

Travis: u knew that would be enough Travis : not how many infractions

Travis: It's obvious by anyones reason that I should have never have anything to do with you

Travis: you just kill me

Travis: every time

Travis: and I keep taking you back

Travis: I hqve come to terms with it

Travis: I am in partial addicted to you

Travis: the positives

Travis: if all you were is positive

Travis: or your good facade that is in fact an act

Travis: I'm addicted to it

Travis: But it's bulls @#%

Jodi: well there aren't any positives left now, so you won't be addicted much longer

Travis: yet I'm addicted to it

Travis: and you know it

Travis: and you know li will always take you back

Travis: you always know

Travis: you know Ill get pissed but ill take you back

Travis: you know if you just equal the drama with my anger ill take you back

Travis: and thats why you don't hesitate to keep ruining me

Jodi: I wish I were better

Travis: because you know you can

Travis: and youll get away with it

Travis: you know it

Jodi: I don't want to

Travis: okay jodi you win

Travis: im addicted

Travis: I know how this is gonna unfold already
Travis: I'm gonna forgive you and you are gonna do it again
Travis: I know that
Travis: and I am gonna forgive you
Travis: and you are gonna do it again
Travis: I know it
Travis: why can't you reward me for trusting in you over and over again
Jodi: Because there is no excuse for me to be alive
Travis: I want a real answer
Jodi: I don't deserve any rewards
Travis: you don't
Travis: I want a real answer
Jodi: I don't have an answer. I really am awful. Truly. Can't you agree that that's the truest thing I've typed thus far?
Travis: please Jodi
Travis: why
Travis: what was your reasoning
Travis: why did you try to cover it up after I told you I knew
Travis: why do you always lie
Travis: eh
Travis: this isn't fair to me
Travis: please
Travis: don't you see
Travis: the pattern
Travis: you do something to make any sane person shun you
Travis: what do I do I forgive you
Travis: I lash you and forgive
Travis: then you do it again
Travis: I talk tough and forgive
Travis: you do it again
Travis: I talk tougher and still forgive
Travis: this has happened about 30 times
Travis: that's how many times you've been caught
Jodi: Just because I'm not whoring around doesn't mean that I wouldn't act any different. I need

to keep myself out of that situation.

Jodi: Which of course isn't a problem at this point

Travis: so have messed around with anyone else

Jodi: you're the last person I've ever been intimate with.

Travis: nut you would like to be with someone else wouldn't you

Travis: but

Jodi: My sex drive is gone.

Travis: i doubt that

Jodi: I haven't diltled myself since I moved here except for the times when we were on the phone and we did it together.

Travis: well it didnt seem to be a problem on the phone

Jodi: Of course not. That's the affect you have. Nobody else can do that. Absolute kryptonite. I

don't want to be a whore. I could joke that if being a whore for Travis is wrong then I don't wanna

be right. But this isn't the time for jokes. I've been a bad influence

Travis: like I said Im not mad about that.

Jodi: I know Travis

Travis: Why did you get in my facebook

Travis: after all thos

Travis: these times I have forgiven you

Jodi: Because I suck

Jodi: The sexual part for me was an unevolved way of trying to be more loved. I knew you weren't

in love with me. I knew you cared, but that it wasn't that kind of love.

So when we made love, I was

able to actually convince myself, yes lie to myself. It really felt for that space of time that it was

something bigger and better. But that's the intoxication felt from sex.

And you made it so good. You

became another person. It's like you nearly worshipped me. I felt sooo so so loved when we did

that. It became absolutely addicting.

Jodi: But you weren't just a piece of meat.

Jodi: Either way, that doesn't speak for the way I've treated you outside of your bedroom.

Travis: no ill admit you were noble in the sack

Travis: but its because it served you to be

Jodi: I know. The better I was, the more you wanted me, and the more you wanted me, the more we

got to be together.

Jodi: I was a whore for you because I was a whore for that feeling.

Jodi: I was a whore in general and I still am.

Travis: and you like being a whoe

Travis: whore

Travis: unless you could get something sexual from me Travis but outside of that nothing else

about is worth anything to you

Travis: and how do I know

Travis: because your actions speak it loud and clear

Travis: and you have nothing to say in eply

Jodi: Everything I feel moved to say wouldn't hold an ounce of weight with you.

Jodi: But what I was going to say is this

Jodi: So I guess that means that at the core I'm not sorry.

Jodi: but I still struggle with guilt and regret over it.

Travis: ur not sorry for invading my privacy either

Travis: but atleast I know where my value to youis

Travis: and its not much more than that

Travis: i was a source of pleasure

Travis: thats it

Travis: nothing else

Travis: at the core I don't think you cae if I live or die

Travis: I really dont

Travis: the pain u have caused is worse than death

Travis: at times

Travis: i thought you were something that you were not

Travis: you scamed me

Travis: and you knew you were scaming me

Travis: i think you would choose a dollar bill over my life

Travis: its the other stuff that is blatant lies that I have a problem with

Travis: ur not sorry

Travis: u know ur not

Travis: so why say it

Travis: u know ur not sorry

Travis: If I was there ud prove how not sorry u r

Travis: so lets just leave it at that

Jodi: If you were here, I don't know. But you're not here and I'm not there, and we're behaving ourselves.

Jodi: I get so caught up in wanting to do the right thing

Jodi: And then when you come around I want to do a different version of the "right thing" and it may be a two-way

Jodi: street, but I

Jodi: nevermind. We shouldn't even be discussing this.

Jodi: I don't know what else to say.

Travis: say ur not sorry for it

Jodi: Part of me is glad we did that. Is it wrong to feel that way?

Jodi: Don't answer.

Travis: i don't know

Jodi: It is

Travis: but ur not sorry

Travis: i know ur not

Jodi: It is a struggle inside of me. I want to take the high road, but the selfish part of me wants to take you and if you were here and the opportunity presented itself, then I most likely would.

Travis: i think you are just demented and somehow thought taking from me somehow benefit you.

Jodi: Speaking of taking

Travis: i think I was little more than a dildo with ah eart beat to you

Jodi: I would have been content just cuddling, but I wasn't strong enough.

Jodi: Again I am sorry for that.

Jodi: I was way overcome.

Travis: no your not

Jodi: It was wrong

Travis: i know you're not

Travis: I ask that you not lie

Travis: you ae not sorry

Travis: youre not

Travis: i don't ask that you be sorry

Travis: i ask that you dont lie

Travis: youre not sorry

Travis: and I don't care

Travis: im ok with you not being sorry about that

Travis: its me too

Jodi: Yeah, but it was more me.

Jodi: I should have been better.

Travis: theny why

Travis: why did you try to ruin me

Travis: why

Travis: just tell me why

Travis: u arent who you say you ae

Travis: so tell me why

Travis: even now you only talk but your actions show that you hate me

Travis: even right now

Jodi: I don't know what you mean by ruin you? I would never

deliberately set out to do that. I was

bitter, yes, but I tried to be a big girl in other ways: by lending you my few hundred dollars when

your re-fi depended on it, by giving you a [Pre-paid Legal] membership [sale] that would have

taken me out of charge-backs, by devoting time to pushing you through those last few counters

[sales] at the last hours of the month so you would qualify [for your bonuses]. It was an endless

struggle. I was resentful for other things, but I've always wanted you to succeed. I haven't

deliberately set out to try and ruin you. I am so sorry for what I have done.

Jodi: Those nice things listed above don't even begin to add up to

Jodi: counter balance the horrible things I've done.

Jodi: It should have all been different. It's my fault.

Jodi: I am 100% responsible for this.

Travis: you did those thing to reel me in

Travis: it was about you

Travis: why did you manipulate me into loving you

Travis: why me

Travis: i was a good guy

Travis: why did you have to do it to me

Travis: why do you hate me

Travis: me

Travis: what was your objective

Jodi: There have been times when you've screamed into the phone so loud at me that the speaker

was distorted and then you hung up. The pain was so sharp and so deep that I just couldn't process

it. I could only scream in response to the air. And I would scream at the top of my lungs until my

throat was raw, "I HATE YOU! I HATE YOU! I HATE YOU!" Until I had no energy left to say it and

it had wittled down to a little whimper, "... i hate you..." And I just sobbed and cried until I couldn't breathe.

Jodi: But you know what? I deserved all of that. Every angry phone call. Every unpleasant word

Travis: what was the point

Jodi: doesn't compare to what I've put you through

Jodi: It doesn't begin to measure up.

Jodi: I've done you more wrong and that is apparent without even keeping score.

Travis: you only showed that you hated me

Travis: never love

Travis: only hate

Travis: ur words were lies

Jodi: I did try, but I didn't try hard enough.

Travis: your actions were truths

Travis: no

Travis: you didn't try

Travis: What you did to me wasn't trying to love

Travis: it was succeeding to hate

Travis: can't you just tell the truth

Travis: please

Jodi: Yes, I just became so resentful. It was all very selfish. An act to try to protect myself from the

pain, but it didn't work. I didn't want to hurt you either. I am so sorry.

Travis: so many times I have stared you in the eye and said if you ever had any love for me you'll

tell me truth right now and you'd look straight into my eyes and lie

Travis: and I knew it

Jodi: If it was unconditional love, it would have never hurt you.

Jodi: I'm just not worth it. I'm not.

Jodi: You have so many bright and wonderful things on your horizon.

Travis: i know that

Travis: i want you to admit it

Travis: your actions prove you hate me

Travis: tell me the truth I hate you

Travis: say it

Travis: I want the truth just once

Travis: and then tell me why you hate me and desire to ruin my life

Travis: why do you only try to ham me

Travis: ive sacrificed so much for you.

Travis: I have taken so much heat for you

Travis: and defended you

Travis: defended the lies you told others with the lies you told me

Jodi: I'm sorry Travis

Travis: i gave you anything I could I sacrificed everything I could and you just tried to murder me

from the inside out

Travis: how could you

Jodi: It wasn't really my intention to harm you

Jodi: Please understand that

Travis: you are so concerned with how many tears ive cried

Travis: you dont know what horror you have caused me

Travis: you can not conceive

Travis: you have not felt as much pain in all your life than what you have repeatedly caused me

with your lies and your invasions and the psycho s@#\$ you have subjected me to

Travis: you have made me want to die

Travis: on countless occasions

Travis: you have hurt me so bad over and over again

Travis: and how do you repay me forgiving you by doing the same thing again

Travis: couldn't you ever try to love me

Travis: u never saw me of more value as a piece of s@#\$ unless I was serving some purpose

Travis: i am less than nothing to you

Jodi: I really did love you. But I let it get so distorted.

Jodi: I'm so so so sorry

Jodi: I have no excuse

Jodi: none

Travis: say the truth

Jodi: I just wish you weren't hurting right now.

Travis: i am s@#\$ to you

Travis: it would be the first true thing you have ever said to me

Jodi: I wish that's all you were to me. I try to tell myself that everyday. That you mean NOTHING.

And every time a

Jodi: feeling started to creep back in I suppress it

Jodi: and I tell myself that you are worthless to me

Jodi: I'm so sorry,

Jodi: I really am.

Jodi: You deserve so much more than the crap I've given to you

Jodi: You deserve a wealth that is beyond this world.

Jodi: And I deserve a pile of s@#\$ for what I've done to my friend

Travis: if I do why do you only try to harm me

Travis: u

Jodi: I don't want to care about you

Travis: dont

Travis: csare

Travis: you dont care

Jodi: I don't want to care about you at all.

Travis: just be honest

Jodi: If I didn't care, I would n't hurt and you wouldn't have gotten hur

Jodi: t

Travis: just quit lying

Travis: quit

Travis: cant you quit

Travis: all u have ever done is lie

Travis: you have only told partial truths to cover up lies

Travis: don't you see

Travis: u are why your life sucks

Travis: it ur lies!

Travis: just tell the truth

Travis: write something you stupid idiot

Travis: wow

Jodi: I may be a liar, I may be a whore, I may be evil, I may be a coward, I may not be worth the air that I breathe, I am most likely the most horrible person you've ever had the misfortune of knowing, but one thing I am NOT, is violent. I did not and would not and would never slash your tires

Travis: wow wow wow

Travis: u r something else

Travis: u r comical

Jodi: Nor did I have anything to do with that. I didn't and I wouldn't.

Travis: u r a laughing stock

Travis: after all I have done

Travis: how could you be the way you've been to me

Travis: how

Travis: I want an answer

Travis: NOW!!!

Jodi: I don't have an answer.

Jodi: I don't know why

Jodi: I hurt too

Travis: Let me tell you why

Jodi: I guess maybe it was my way of trying to renounce you

Travis: because you only care about Jodi

Jodi: I acted immature

Jodi: I acted stupid

Travis: u don't care about me

Jodi: I shouldn't have gone about it that way.
Travis: thats why
Jodi: What can I really say though?
Jodi: "I agree" ??
Travis: u can tell the truth
Travis: tell it
Travis: once
Travis: u slashed the Fing tires
Travis: u did
Travis: I know u did
Travis: u r a liar
Travis: u don't care either
Travis: dont you see your lies why your life is worthless
Travis: It will always be until you tell the truth.
Travis: you have got to learn
Travis: can u learn
Travis: If not
Travis: you are taking up people air
Travis: ur freaking pathetic
Travis: that is what took u so long to write
Jodi: Well it would have been done sooner, but I was watching you type
Travis: u said u wee almost done and you lied again
Travis: u r worthless
Travis: u r s@#\$!
Travis: cant you tell the truth
Travis: is it impossible
Travis: seriously
Travis: is it impossible
Travis: i loved someone who never existed
Travis: what I thought was real never even existed
Travis: finish your utterly worthless email
Travis: where is it
Travis: u said it was almost done
Travis: cant you tell the truth
Travis: i know you got into my computer and erased a letter I sent to Lisa

Travis: I know you did Jodi:What?!

Jodi: No

Travis: shut up

Travis: shut up

Travis: i don't want more lies

Travis: u stole my journals

Travis: you slashed my tires

Travis: and I know it

Travis: i know it

Travis: why continue lying

Travis: dont you ever want to tell the truth

Travis: ever

Travis: u never have

Travis: is there any desire

Travis: any

Jodi: I can't send the email?

Travis: at all

Travis: why not

Travis: b@#\$%

Travis: i have waited

Jodi: It's not letting me put your address in the recipient bar

Travis: and now you tell me no

Travis: copy it how freaking conveyant

Travis: did you ever even write one

Jodi: OK, I figured it out

Travis: that is ur email

Travis: who freaking cares about you

Jodi: I'm a full time bartender now a Mexican restaurant

Travis: u think I care about ur sob story after what you have done to me

Travis: a bartende

Travis: r

Travis: perfect

Jodi: It's not a sobe story

Travis: a sluts joc

Travis: b

Travis: maybe you can get tips for BJ's

Travis: oh im sure you can

Travis: u r good at that

Jodi: Yeah, according to what you've said, I'd have that car [Travis's BMW he sold her] paid off in

one shift with vacation money to spare!

Jodi: Maybe I can use you as a reference

Travis: yeah you are a 3-hole wonder

Travis: you are good for something

Travis: and always have been

Travis: u have never given out the truth for truths sake

Travis: u never have

Travis: how must it be to be solely be a liar

Travis: nothing else

Travis: to live a life identical to satan

Travis: and you after everything send me some bulls @#\$ thing down the pipe as you log into my facebook

Travis: you are a rotten lunatic

Jodi: What does that mean???

Travis: can't you remember when you chose to take away my human rights what I have done for you

Travis: cant all the things I have done to help you stop you from taking away what belongs to me

Travis: how can you be such an ingrate

Travis: how many times can someone pay someone for service by stabbing them in the back

Travis: how do you live

Travis: how does a heartbeat in such a corrupted carcass

Travis: ur email obviously wasnt almost finished another lie

Travis: do you know how to tell the truth

Travis: r u capable of it

Travis: have u ever

Travis: ever in ur life

Travis: when you have had the temptation to lie have you ever resisted it and told the truth

Travis: even once

Travis: of course not

Travis: ur parents must be proud

Jodi: They're not proud of me.

Travis: they shouldn't be

Jodi: they didn't even come to watch me sing even though the rest of my family did. Not that you

care, but that's just to illustrate how much they're not proud.

Travis: miss high class server, can't even get a job at a freaking dine

Travis: even when you say u are telling the tuth you are lying

Travis: even when you come clean it is a partial version of the truth to seerve your purpose

Travis: you have been nothing but a liar from the beginning

Travis: u r evil

Travis: if I was

Travis: it is gone because of you

Travis: send your piece of s@#\$ lie fest so I can mock it

Travis: we already know based on all the last emails you send, and then invaded my privacy that it is b@#\$

Jodi: look, I don't want to be like this.

Travis: You ae like this

Jodi: I know

Travis: like I said I have never dealt with a more solid form of evil

Jodi: I don't know what to do

Jodi: I really am sorry for everything.

Jodi: I know you don't want apologies.

Jodi: I don't know what to say.

Travis: you are not sorry

Travis: what I want is for you to quit blatantly lying

Travis: we both know by your actions that view me as pure s@#\$

Jodi: Can I just send the email? I'm almost finished...

Travis: pure freaking s@#\$

Jodi: No, Travis

Travis: ur email is s@#\$ too

Jodi: One day, it will be clear.

Travis: i hate you

Jodi: I've acted so wrong.

Travis: do realize that

Travis: i hate you

Travis: so much

Travis: you have been more cause of pain than the death of my father

Travis: You are relentless in your torture of people that have loved you and protected you and

served you and what do you do

Travis: you try to destroy them

Travis: you are the lowest of the low

Travis: you are sick and evil and knowing you makes me want to kill myself in punishment

Travis: im so stupid

Travis: i don't even know if u r human

Travis: hitler had more of a concious

Jodi: I am so, so sorry. If anyone should it is me. You are light unto this world. I can't even compare.

Travis: than you

Travis: shut up

Travis: just shut up

Jodi: Only you would say that. Anyone else would see it for what it is: an Anchorman joke. I was just giving him a hard time for showing off and being such a ham. You and I had a conversation about this Facebook pics and their content. I was just razzing him.

Travis: no you were flirting with him and you know better

Travis: its danny jones.

Travis: maybe you are just on to the next d@#\$

Travis: and he is an easy target

Jodi: His temperature is cold when it comes to that.

Travis: so you have checked it then

Travis: what a freaking whore

Travis: u r too much.

Travis: maybe kyle kimbrell then

Jodi: It's based off a vibe I got at [a business training] many months ago.

Jodi: I tried having a conversation with him, and he was cordial, but never flirty or anything like it.

Travis: im glad to see you are checking the vibe of danny jones you must feel so classy

Travis: yet you flit anyway

Jodi: Like you, I flirt because it's "harmless", "means nothing", and there are "no intentions" behing it.

Travis: don't freaking ignore me

Jodi: I'm emailing you!

Travis: and dont send me some worthless email with all your bogus lies

Travis: you dont know how to tell the truth

Jodi: OK Travis. What do you want me to do?

Travis: ur words are worthless

Travis: in everything you throw at me its all on agenda to save your own a@#

Travis: just like that disgusting call today

Travis: have you forgotten what is like to be human

Jodi: Perhaps.

Travis: have you forgotten you are dealing with humans

Jodi: no

Travis: by the way your little comment to Danny Jones makes you look like a cheap whore
